Dear Friends,

This "Movember" I've decided to donate my face to raising awareness about cancers that affect men. My commitment is the growth of a moustache for the entire month of November, which I know will generate conversation, controversy and laughter. I will begin clean-shaven on the 1st and am encouraging all the men out there to do likewise..and any ladies, if you're capable!

I'm doing this because:

- 1 in 2 men will be diagnosed with cancer in his lifetime
- 1 in 6 men will be diagnosed with prostate cancer during his lifetime
- This is a wonderful excuse to grow a moustache!

I will also be doing a couple of events throughout November like extended happy hour or maybe a wine dinner; and in early December I will throw a really great party with a funk theme where all the guys who grew moustaches can come and show off their good work. Prizes will be available for the best efforts and men and women alike are encouraged to come dressed as a funkster/funkette. All proceeds from these events will go to the Prostate Cancer Foundation and Lance Armstrong's LIVESTRONG. There will be parties and events going on all over the world in the name of Movember.

This is a cause that I feel passionately about and I'm asking you to support my efforts by growing a moustache yourself (or encouraging your man to) and/or by making a donation to support the great work of the Prostate Cancer Foundation and LIVESTRONG . To help, you can either:

- Click this link <http://us.movember.com/mospace/543324/> and donate online using your credit card or PayPal account
- Write a check payable to Movember, referencing my name or Registration Number 543324 and mailing it to: Movember, PO Box 2726, Venice, CA 90294-2726

OR

- Join my Movember team go to <http://us.movember.com/register/99154> and follow the steps. Start clean-shaven on the first of November and keep growing and grooming until our Movember Funkadelic in early December...details forthcoming.

The more people I can get on board, the more lives we can impact. I am asking you to join my team and either grow a moustache as a Mo Bro, or join as a Mo Sista to help recruit other gentlemen.

Once registered you'll be sent all the information you need to raise funds and start growing as part of my Movember team.

The money raised will help make a tangible difference to the lives of others, through the world's most

promising prostate cancer research and LIVESTRONG's programs that support young adults and their families battling and surviving cancer.

For more details on how the funds raised from previous campaigns have been used and the impact Movember is having please visit <http://us.movemberfoundation.com/research-and-programs/> or call me directly at the number below if you have any questions or need a pep talk on why you should grow a Mo.

Please help me to have a moustchioed St. Croix in Movember!

Kind regards,

Tony Gatti
